

# Trumpet Blows

Alexandra Stan

Baby, this is crazy  
Can't believe you said Hello  
Can't take it, just can't fake it  
I'm about to lose control  
Boy you should be mine,  
Our worlds they should collide  
Stop playing games, don't make me wait  
My love is qualified!

Whatever you want from me  
I'm yours and I'm here to please  
You gotta love that thing, don't stop it, stop it  
Whatever you want from me  
Ask and you will receive  
You know I'm ready baby when the trumpet blows!

Oh oh, oh oh  
You know I'm ready baby when the trumpet blows  
Oh oh, oh oh  
You know I'm ready baby when the trumpet blows

My body's moving for you  
Baby, what you've done to me?!  
What we've got hotter and hotter,  
Electric chemistry  
Boy this ain't no joke, I'm ready to explode  
Don't play it safe 'cause I can't wait  
I really need to know

Whatever you want from me  
Ask and you will receive  
You know I'm ready baby when the trumpet blows!

Oh oh, oh oh  
Oh oh, oh oh  
Oh oh, oh oh  
You know I'm ready baby when the trumpet blows  
Oh oh, oh oh  
You know I'm ready baby when the trumpet blows

Don't wait, don't think about  
And I will make it baby unforgettable  
So do it now, don't miss the party  
Make your trumpet blow!

Clap it!  
And when your trumpet blows  
You make me lose control,  
You make me lose control!

Oh oh, oh oh  
When the trumpet blows  
Oh oh, oh oh

Oh oh, oh oh  
You know I'm ready baby when the trumpet blows  
Oh oh, oh oh

You know I'm ready baby when the trumpet blows
