

Orange Sky

Alexi Murdoch

Well I had a dream
I stood beneath an orange sky
Yes I had a dream
I stood beneath an orange sky
With my brother standing by
With my brother standing by
I said, "Brother, you know you know
It's a long road we've been walking on
Brother, you know it is you know it is
Such a long road we've been walking on."

And I had a dream
I stood beneath an orange sky
With my sister standing by
With my sister standing by
I said, "Sister, here is what I know now
Here is what I know now
Goes like this..
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, in your love, in your love."

"But sister you know I'm so weary
And you know, sister
My heart's been broken
Sometimes, sometimes
My mind is too strong to carry on
Too strong to carry on"

"When I am alone
When I've thrown off the weight of this crazy stone
When I've lost all care for the things I own
That's when I miss you, that's when I miss you, that's when I miss you
You who are my home
You who are my home
And here is what I know now
Here is what I know now
Goes like this..
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, my salvation lies
In your love, in your love, in your love"

Well I had a dream
I stood beneath an orange sky
Yes I had a dream
I stood beneath an orange sky
With my brother and my sister standing by
With my brother and my sister standing by
With my brother and my sister standing by
