I?m hanging on to you to letting go my pain I?m begging you to stay ?cause I?m hungry of your love Waiting for so long with my head between my hands I felt as touched the ground every time you treat me bad Because I miss you, I miss you, baby Because I miss you every time you say goodbye Because I miss you, I miss you, baby Because I miss you every time you say goodbye I wonder to myself, if I were free to leave 'Cause you did that to me a thousand times and back again I was always there for you and ready to forgive But your heart is made of steel, keep on turning me around Because I miss you, I miss you, baby Because I miss you every time you say goodbye Because I miss you, I miss you, baby Because I miss you every time you say goodbye ?Cause you're my lovely and I live for you The way you smile, the way you are, I wanna hold you by my side The way you touch me, the way you groove me The way you smile, the way you are, I wanna hold you by my side Oh, oh, I'm hanging on, oh yeah I keep on hanging on to you, baby Because I miss you, I miss you, baby Because I miss you every time you say goodbye Because I miss you, I miss you, baby Because I miss you every time you say goodbye ?Cause you?re my lovely and I live for you The way you smile, the way you are, I wanna hold you by my side The way you touch me, the way you groove me The way you smile, the way you are, I wanna hold you by my side Because I miss you
