

Crazy For You

Alexia

I can't go on without you
You leave me now, what can I do?
Without you
Don't let me down, oh no
Don't let me down, no, oh no
Don't let me down
I love you so
I'm crazy for you
Don't let me down, oh no
Don't let me down, oh baby, no
Don't let me down
I love you so
I'm crazy for you
I hate the world without you
I hate the sun, I hate the moon
Without you
Don't let me down, oh no
Don't let me down, no, oh no
Don't let me down
I love you so
I'm crazy for you
Don't let me down, oh no
Don't let me down, oh baby, no
Don't let me down
I love you so
I'm crazy for you
Don't let me down, oh no
Don't let me down, no, oh no
Don't let me down
I love you so
I'm crazy for you
Don't let me down, oh no
Don't let me down, oh baby, no
Don't let me down
I love you so
I'm crazy for you, baby
