

If You Say Goodbye

Alexia

If you leave me now
If you leave me tonight, I will die
Wait till tomorrow
Don't leave me now
Don't leave me now
If you say goodbye
If you do it tonight, I will cry
Wait till tomorrow
Don't say goodbye
Don't say goodbye, baby
Don't take me down
You make me feel like a stranger
To your eyes, to your eyes
If you say goodbye
I can't exist
If you say goodbye
I can't resist
Every time you go
Every time you say goodbye
Every time you go
Every time I wanna cry
Please don't leave me now
If you leave me now
If you leave me tonight, I will die
Wait till tomorrow
Don't leave me now
Don't leave me now, baby
Don't take me down
You make me feel like a stranger
To your eyes, to your eyes
If you say goodbye
I can't exist
If you say goodbye
I can't resist
Every time you go
Every time you say goodbye
Every time you go
Every time I wanna cry
If you say goodbye
I can't exist
If you say goodbye
I can't resist
Every time you go
Every time you say goodbye
Every time you go
Every time I wanna cry
Please don't leave me now
I can't exist
I can't resist
I can't exist
I can't
