

Number One

Alexia

I wanna hold you baby
I wanna hold you
Never be lonely with me by your side
Say that you want me baby
I got the things you've needed to get by
I wish you love me too
This time you promise and look into my eyes
I can give you lovin' baby
Show me the way to make you feel all right
Falling in love to you
I wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you down
Don't wanna loose you
I know you'll never gonna break my heart
Say that you want me baby
I got the things you've needed to get by
Falling in love again
I wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you down
I wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you down
I wanna be your number one
La la la la la la
I wanna be your number one
La la la la la
I wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you down
I wanna be your number one
Nobody else tonight
You gonna be my crazy love
I'll never let you down
I wanna be your number one
