

## Save A Prayer

Alexia

You can't think about tomorrow  
When you're livin' in a fight  
Deep inside you're feeling pain and sorrow  
And you wander in the night  
This is my way  
Save a prayer for tomorrow  
Never close your eyes  
Save a prayer for tomorrow  
Never be so blind  
When the road is long and narrow  
And you feel you've lost your sight  
Then you need another road to follow  
In the dark you will find a light  
This is my way  
Save a prayer for tomorrow  
Never close your eyes  
Save a prayer for tomorrow  
Never be so blind  
This is my way  
And I keep on praying  
A prayer for you  
You know it's true  
A prayer for you  
Save a prayer for tomorrow  
Never close your eyes  
You know it's true  
Save a prayer for tomorrow  
Never be so blind  
Oh, you know it's true  
Save a prayer for tomorrow  
(A prayer for you)  
Never close your eyes  
Oh, you know it's true  
Save a prayer for tomorrow  
Oh yeah, you know it's true  
Never be so blind  
Yeah, you know it's true  
And oh, save a prayer for tomorrow
