

Sometimes

Alexia

Sometimes I thought I gave you more than my life
I just wanna tell you sometimes
I thought I gave you more than my life
Sometimes, sometimes
What's going on with me
I don't wanna feel this way
Without a smile upon my face
And if you're leaving now
I wanna let you know
That I'll be fine and let you go
Whatever you wonder baby
Whatever you do!
Sometimes...
I thought I gave you more than my life
I just wanna tell you sometimes
I thought I gave you more than my life
Sometimes, sometimes...
Don't wanna see me cry
You got walk away
Get up and leave me all my space
I live my night and day
Thinking about the way
That I believe in God and faith...
Whatever you wonder baby
Whatever you do!
Sometimes...
Sometimes
I thought I gave you more than my life
I just wanna tell you
Stop!
