The One For Me

Alexia

Oh baby baby I'm in love with you
I really need you to feel the same way too
Oh baby baby when I feel so blue
I close my eyes and I know you are the one for me
Do you really know what I feel for you?
I think your love's gotta something new
I really want you to be my boy
I know you want me too
Nothing's gonna change what you mean to me
I need you baby to set me free
So give me time to say how much I love you boy!
Oh baby baby I'm in love with you
I really need you to feel the same way too
Oh baby baby when I feel so blue
I close my eyes and I know you are the one for me!
Do you know the way I feel for you?
Without you baby I can't through
And I know that you love me boy
It's like a dream come true
Nothing's gonna take it away from me
I need your love and let it be
So give me time to say how much I love you boy
Oh baby baby I'm in love with you
I really need you to feel the same way too
Oh baby baby when I feel so blue
I close my eyes and I know you are the one for me
