

# You Can Leave Your Hat On

Alexia

Baby, take off your coat...real slow  
And take off your shoes... I'll take your shoes  
Baby, take off your dress  
Yes, yes, yes  
You can leave your hat on  
You can leave your hat on  
You can leave your hat on

Go on over there and turn on the light...no, all the lights  
Come on over here, stand on this chair...yes, that's right  
Raise your arms up in to the air...now shake 'em  
You give me a reason to live  
You give me a reason to live  
You give me a reason to live  
You give me a reason to live

Sweet lady, you can leave your hat on  
You can leave your hat on  
You can leave your hat on  
You can leave your hat on  
You can leave your hat on

Suspicious minds are talkin'  
They're tryin' to tear us apart  
They don't believe in that love of mine

They don't know what love is  
They don't know what love is  
They don't know what love is  
They don't know what love is  
I know what love is

You can leave your hat on  
You can leave your hat on  
You can leave your hat on  
You can leave your hat on....
