Mmm mmm mmm mmm
Mmm mmm mmm mmm
Mmm mmm mmm mmm
Mmm mmm mmm mmm

I gotta turn this car around
I never should have left you there
Boy this traffic is making me sick
Boy I can't wait to have you near

I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas cause I don't wanna miss this
This opportunity will only come once in my life, my life

I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas cause I don't wanna miss this
See what your bringin me boy is priceless
I gotta be out of my mind not to try this

Through strength I found love
In time I found myself in happiness with you
Through strength I found love
In time I found myself in happiness with you

Mmm mmm mmm mmm
Mmm mmm mmm mmm
Mmm mmm mmm mmm
Mmm mmm mmm mmm

Boy I need to say what's in my heart
I was scared but I'll do my part
I came back to tell you face to face
So what we have won't go to waste

I gotta hurry hurry hurry
Now quick quick quick
Just step on the gas cause I don't wanna miss this

This opportunity will only come once in my life, my life Yeah

Sorry sorry sorry I'm coming down to fix this
You should know how I feel
I know I got you twisted
See what your bringin me boy is priceless
I gotta be out of my mind not to try this

Through strength I found love
In time I found myself in happiness with you
Through strength I found love
In time I found myself in happiness with you

The things that you can give to me
I can feel it when your holding me close
You're like your one of the world wonders
I know I'm going under

Come see that I'm ready for this
And you're so good for me
You're my true joy
You make me wanna say

Mmm mmm mmm mmm
Mmm mmm mmm mmm
Mmm mmm mmm mmm
Mmm mmm mmm mmm

Through strength I found love
In time I found myself in happiness with you
Through strength I found love
In time I found myself in happiness with you
