

# Laying Around

Alexis Jordan

Oh yeah, babe yeah yeah yea

What I wouldn't give to  
Wrestle over the remote control  
What I wouldn't give to  
Hit you harder than you thought I could  
With the pillow  
Can we stop just for a second  
Cause you got a feather in your eye  
I get it out and you kiss me  
And then we get back to our pillow fight  
Man, that sounds nice, ooh

If the sky began to fall  
We wouldn't even notice  
Really wouldn't bother us at all  
If the world came to an end  
Nothing matters but us two  
When I'm laying around with you  
When I'm laying around with you  
What I wouldn't give to

What I wouldn't give to  
Cook you dinner from the microwave  
What I wouldn't give to  
Burn the popcorn  
And hear you tell me "Baby that's OK"  
(Baby that's OK)

And then you leave to go to the store  
And it's almost too much for me  
Though I know it'll only be a minute  
And then you come back through the door  
With a bagful of all the foods  
That we're not supposed to eat  
That's the night that can't be beat, ooh

If the sky began to fall  
We wouldn't even notice  
Really wouldn't bother us at all  
If the world came to an end  
Nothing matters but us two  
When I'm laying around with you  
When I'm laying around with you  
What I wouldn't give to

I wanna be in your arms  
Where no harm  
Could ever come my way  
I wanna be where you are  
Though near or far  
Every night and day, ooh

If the sky began to fall  
We wouldn't even notice  
Really wouldn't bother us at all  
If the world came to an end

Nothing matters but us two  
When I'm laying around with you  
When I'm laying around with you

If the sky began to fall  
We wouldn't even notice  
Really wouldn't bother us at all  
If the world came to an end  
Nothing matters but us two  
When I'm laying around with you  
When I'm laying around with you  
Ooh, when I'm laying around with you  
Ooh oh, when I'm laying around with you
