I've been sitting in the dirt -for 24 hours-I've forgotten my own worth -for 24 hours-Said that you'd be here last night...

Oh

I'm tryin' to shake you from my skin -for 48 hours-Clean up this mess I've been put in -for 48 hours-I'm guessing you can't always win Im guessing you can't always win!

Chorus:

I can't have anything I want they say
I'm just too young but it's not my fault
I'll find my own way home if I gotta
I'll make it all alone if I gotta

I'm not so trustful with my friends
I'm on the road alone again
I guess I'm tried of giveing in

Oooh...

I'm sick of wishing you were near You've gone your way, you've made it clear Why do I feel you everywhere? Why do I feel this everywhere? Yeeaah!

Chorus:

I can't have anything I want they say I'm just too young but it's not my fault I'll find my own way home if I gotta i'll make it all alone if i gotta

Don't wanna spend my time watching the world go by I think I'd rather die

And I don't have a plan
Not gonna justify
Just tell me where to stand
Something I won't deny

Chorus:

I can't have anything I want they say I'm just too young but it's not my fault I'll find my own way home if I gotta

i'll make it all alone if i gotta

Chorus:

I can't have anything I want they say
I'm just too young but it's not my fault
I'll find my own way home if I gotta
i'll make it all alooooooooooone
