Sick Of the lines that fade in me
I'll never know what to believe
In a world thats crushing me
youre the only one i see

Chorus

I dont change my mind for anybody
I wont waste my time one just anybody
I wont share my life with anyone but you
Its such long way *with anyone but you*
i couldnt follow *with anyone but you*
never anyone but you

They put my poster on the wall
they watch it way for to fall
They think they made me who I am
but they dont know me at all

Chorus 2x

They build you up so high
till you can hardly see the stars beneath your feet
