

# I Just Wanted Your Love

Alexz Johnson

You got time  
If time is what you needed  
You're not mine  
I rather not believe you're fine  
Rather think you're up all night  
You're alright  
You knew me when you met me  
Let's not fight  
I'm just a little feisty  
Maybe, maybe I would lose my mind

I don't wanna  
Let you go away  
I don't wanna  
Let you go

Boy, I just wanted your love  
I just need a bit of your love  
I just wanted your love

I don't wanna  
Let you go

You got steam  
Wheels are turning  
It's just me  
I'm crashing and I'm burning out  
Shouldn't we be making out?  
You got guts  
Guts is what I need now  
I don't mind  
Starting to believe it's over  
Tell her "I loathe her"

I don't wanna  
Let you go away

Boy, i just wanted your love  
I just need a bit of your love  
I just wanted your love

I don't wanna  
Let you go

Ha!

Letting you go  
Letting you go  
Letting you go  
Letting you go  
Letting you go  
Letting you go  
Yea yea oh

I don't wanna  
Let you go away

I don't wanna  
Let you go

I just wanted your love  
Bit of your love  
I just wanted your love

I don't wanna  
Let you go
