

# L.A. Made Me

Alexz Johnson

(L.A won't let me go, L.A owns...)

Baby, baby one without a name  
Can't you see they're pouring you down the drain  
I know, I know, I know, I know

Painted lady, crying their on the side  
Poured her heart out, kissing him for a ride  
I know, I know, I know, I know  
I know, I know, I know

Boy  
Tell me, tell me why are in it for the dough?  
Tell me, tell me why are you selling out your soul?  
Tell me, tell me why my baby?  
I'll do it, I'll do it, I'll do it, I'll do what you say

L.A, L.A why are you tearing her apart?  
L.A, L.A why are you spitting on her heart?  
L.A, L.A why so shady?

She said: L.A made me  
She said: L.A made me

Stranger, stranger told you what to say  
Left and dangered, took all your money  
I know, I know, I know, I know

Maybe, maybe leave without a sound  
Watch yourself, L.A. don't mess around  
I know, I know , I know, I know (Do you really understand?)  
I know, I know , I know

Tell me, tell me why are in it for the dough?  
Tell me, tell me why are you selling out your soul?  
Tell me, tell why my baby?  
I'll do it, I'll do it, I'll do it, I'll do what you say

L.A, L.A why are you tearing her apart?  
L.A, L.A why are you spitting on her heart?  
L.A, L.A why so shady?  
I'll do it, I'll do it, I'll do it, I'll do what you say

She said, she said:  
L.A won't let me go, L.A owns my soul  
L.A won't let me go, L.A owns my soul

Oh you gonna get it  
Gonna get it  
Oh you gonna get it

She said: L.A made me  
She said: L.A made me

L.A won't let me go, L.A owns my soul  
L.A won't let me go, L.A owns my soul

(L.A won't let me go, L.A owns my soul )
