(Emi) I drift away to a place
Another kind of (C) life
Take away the pain
I create (Hmi) my paradise

(Emi) Everything I've held
(G) Has hit the (C) wall
What used to be yours
Isn't yours (Hmi) at all

(Ami) Falling apart, and all that I'm asking
(C) Is it a crime, am I over (D) reacting

(Emi) So what you had didn't fit
Among (G) the pretty things
never fear, never fear
I now know (Hmi) now where you've been

(Emi) Braids have been un-tied
As ribbons fall away (C) ay
Leave the consequence
My tears you'll (Hmi) taste

(Ami) Falling apart and all that I question
(C) Is this a dream or is this my life (D) sson

(Ami) I don't believe I'll be alright
(C) I don't believe I'll be ok
(D) I don't believe how you've thrown me (Emi) away
(Ami) I do believe you didn't try
(C) I do blame you for every lie
(D) When I look in your eyes, (no chord) I don't see mine

(Emi) Oh (C) my permi (G)ssion to si (D)n
(Emi) You might have sta (C)rted my re (G)ckon (D)ing
(Emi) I've got a (C)reason now to (G) bury him (D)alive
Another little white lie
