

# Weight

Alexz Johnson

His story repeats  
It keeps you on your feet  
The faster it goes  
It keeps you on your toes

It's told shillings  
And keeping all these things  
Will just weigh you down  
Until you're underground

Nothing left to take it off on  
Nothing left to take it off on  
Ha

It's for show, I know  
The farther that you go  
Is feeling like work  
Heart beating on your shirt

Nothing left to take it out on  
Nothing left to take it out on

Come in  
Come and put your weight on me  
Come in  
Come and put your weight on me  
(Oh Lordy)  
You will see  
Come clean off on me  
And maybe someday  
I will come take your breath away

The doctor will call  
It won't matter at all  
How good you've been  
Cause I can make you clean

Nothing left to take it out on  
Nothing left to take it out on

Come in  
Come and put your weight on me  
Come in  
Come and put your weight on me  
(Oh Lordy)  
Come in  
Come and put your weight on me  
Come in  
Come and put your weight on me

Oh Lordy, you will see  
Come clean off on me  
And maybe someday  
I will come take your breath away  
Ha

Tell me why

Tell me why  
Tell me why can't I

Do it to me  
Do it to me  
Do it to me  
(Oh Lordy)  
Do it to me  
Ahhh...

Ahhh...

Tell me why  
Tell me why  
Tell me why can't I

Oh Lordy, you will see  
Come clean off on me  
(Tell me why)  
(Tell me why)  
(Tell me why can't I)  
And maybe someday  
I will come take your breath away

I will come take your breath away

Oh, la, la, la, la, la, la, la  
Oh, la, la, la, la, la, la, la  
Oh, la, la, la, la, la, la, la  
Oh, la, la, la, la, la, la, la
