

Adaptable (Anything for You)

Alice Cooper

If you were Lucy
I'd be your Ricky
When you were juicy
I'd get real sticky
And when you're magic
It makes me tricky, too

Yeah, I'm a Sony
You're Panasonic
I'm heavy metal
You're philharmonic
If you get earaches
I'd turn my volume down
A notch or two for you

'Cause I will do anything for you
Anything you want me to
I'm so adaptable to you
Was untrappable 'til you

I will do for you
Anything for you
Adaptable to you
Adaptable to you

If you do that fold out
I'll scream and holler
But when you hold out
I'll spend three dollars
One way or other, babe
I'll spend the night with you
That's true

Now, you ain't no Hepburn
And I ain't no Fonda
But if you were drownin'
In Golden Ponda
Mouth to mouth
I'd resuscitate with you

Because I'm so adaptable to you
Anything you want me to
I'm so adaptable to you
Was untrappable 'til you

I will do for you
Anything for you
Adaptable to you
Adaptable to you
Adaptable to you
So plug me into you

Say you're Vampira
And needed plasma
And I was dying
From chronic asthma
I'd leave my death bed

To draw some blood for you
Just for you

Because I will do anything for you
Anything you want me to
And I will do anything for you
Anything you want me to
Yes, I'm so adaptable to you
Leave a craps table for you
On a winning streak

I will do for you
Anything for you
Adaptable to you
Adaptable to you
