

Beautiful Flyaway

Alice Cooper

Beautiful flyaway
Somewhere like Holy Days
Wonder what brought me down to earth
Haven't I always been here
Let's have another nibble
Later I think I'll disappear into the bishop's mall
And take a look at what we offer
DDT poisoning me changing my relativity
What's it going to be

Da da da da d-da
Later I think I'll disappear into another room
And take a look inside the till
Lovely days, human ways, journeys that take us to the end
Ah

Haven't we always been here
Sharing one love and one fear
Some day you'll know that life is really, really all about you
So come and look inside
You'll be surprised to find
Later I think I'll disappear into another womb
And take a look inside the mens' room
Haven't I given you everything that I could give
Where do you live
Ah

You are the only censor.
If you don't like what I say, you have a choice.
You can turn me off

You are the only censor
If you don't like what I say, you have a choice.
You can turn me off
