

Black Juju

Alice Cooper

Body
Body

Touched by the toil and plunged into his arm
Cursed through the night through eyes of alarm
A melody black flowed out of my breath
Searching for death, but bodies need rest

Body

Under the soil now waiting for worms
All that I feared is all that I've learned
All that I know is all that I think
Dead feelings are cool, down lower I sink, ah-hah

Bodies need rest
We all need our rest
Sleep an easy sleep
Rest
Rest
Bodies need their rest
We all need our rest
Sleep an easy sleep
Rest
Rest
Rest
Rest
But come back in the morning

Come back hard

Wake up
Wake up
Wake up
Wake up

Bodies
Clutching and biting my soul has caught on fire
My evil is now and I'm caught up in desire
Everything I'm living for is all that I am
Liking it and loving it that's all in the plan
