

# Catch Me If You Can

Alice Cooper

She was not the first  
And he won't be my last  
My hunger and my thirst  
My brilliant future  
And my ugly past

They'll all be here with me  
'Til my web is spun  
My blessing and my curse  
There'll be no rest  
Until my work is done

Catch me, catch me if you can  
Catch me, catch me when you can  
I can't control myself

You won't have a clue  
Of what is coming next  
What I'm gonna do  
Surely classical in its effect

Which limb will I choose?  
Which one gets sawn in half?  
Which leg would you lose?  
To an arachnophobic psychopath

Catch me, catch me if you can  
I wrestled with the devil and I'll do it again  
Catch me, catch me when you can  
I can't control myself

Catch me, catch me if you can  
I'm scheming with the demons and I'll do it again  
Catch me, catch me when you can  
I can't control myself, I can't control myself

Catch me, catch me if you can  
Catch me, catch me when you can  
Catch me, catch me if you can  
I'm scheming with the demons and I'll do it again

Catch me, catch me when you can  
I can't control myself, I just can't control myself  
I'm scheming with the demons and I'll do it again

I wrestled with the devil and I'll do it again  
I'm scheming with the demons and I'll do it again
