Catch Me If You Can

Alice Cooper

She was not the first And he won't be my last My hunger and my thirst My brilliant future And my ugly past

They'll all be here with me 'Til my web is spun My blessing and my curse There'll be no rest Until my work is done

Catch me, catch me if you can Catch me, catch me when you can I can't control myself

You won't have a clue Of what is coming next What I'm gonna do Surely classical in its effect

Which limb will I choose? Which one gets sawn in half? Which leg would you lose? To an arachnophobic psychopath

Catch me, catch me if you can I wrestled with the devil and I'll do it again Catch me, catch me when you can I can't control myself

Catch me, catch me if you can I'm scheming with the demons and I'll do it again Catch me, catch me when you can I can't control myself, I can't control myself

Catch me, catch me if you can Catch me, catch me when you can Catch me, catch me if you can I'm scheming with the demons and I'll do it again

Catch me, catch me when you can I can't control myself, I just can't control myself I'm scheming with the demons and I'll do it again

I wrestled with the devil and I'll do it again I'm scheming with the demons and I'll do it again
