

Fallen in Love

Alice Cooper

I was a tool cool cat and I was on my own
calling girlie after girl on my telephone
Then she stopped me in my tracks
with those coal black eyes
she put me on my back, I was paralysed

My baby's love is hard,
my baby's love is tough
If I were anybody else
I'd o' had enough
cause she treats like a dawg
not a cute little pup
But I've fallen in love and I can't get up!

I was a Billion dolar baby in a diamond dress
Now I'm a dirty Desperado and a steaming mess
She Drive me nervous as a cat on a hot tin roof
She's like a dirty cup of Poison that I can't refuse

My baby's love is hard,
my baby's love is tough
If I were anybody else
I'd o' had enough
I mean I used to be a stud now
I'm a powder puff
cause I've fallen in love and I can't get up!

Now I'm laying on the floor
I'm a broken mess
Somebody rescue me
I'm in distress
I need an S.O.S.

My baby's love is hard,
my baby's love is tough
If I were anybody else
I'd o' had enough
cause she treats like a dawg
not a cute little pup
But I've fallen in love and I can't get up
