

# Give The Kid A Break

Alice Cooper

[Alice]

Don't know why I'm down here  
Must be something I said  
Or some small imperfection  
In my soul or in my head  
Don't know why I'm down here  
Don't deserve to roast or bake  
I'm fighting off slanderous allegations  
Why don't you give the kid a break?

[Alice]

Don't think maybe we could talk this over  
You're a reasonable man  
Could we discuss my grave situation  
I'm a miserable man  
And I'm in the frying pan  
Give the kid a break (continues over dialog)

Devil: Give me one good reason why I should

Alice: All right, all right, so I made a few mistakes but listen.. But for heaven's sake

Devil: Watch your language, Kid.

Alice: OK, OK, don't get hot

[Devil]

Don't question my judgement  
He only reaped what he sowed  
He cast his pearls before swine  
And that's good enough for me

[Devil]

I don't want to talk it over  
Even tho' I'm a reasonable man  
Sonny, from over here looks like you're in no position to bargain  
You're a convicted man  
You're right in the frying pan

Give the kid a break (continues over dialog)

Alice: Yeah, Please give me a break

Devil: Nah, I don't think so, man

Alice: Come on, you know I got what it takes. Can't you give me a break?

Devil: Sure thing kid, when hell freezes over

Choir: Ok, don't give the kid a break

Alice: Hey you guys, I thought you were on my side

Choir: No. Give the kid a break

Alice: Yeah, well thanks a lot, pals

Alice: Listen boss, maybe we can make a little deal. Is there anything I can say, some kind of fine I can pay? Anything?

[Alice:

Don't know why I'm down here

Must be something I said (I'm sorry)

Or some small imperfection

In my soul or in my head

It might be some sort of imperfection

It might be a defection or a, a clear case of misdirection yeah

It must be a small imperfection  
In my soul or in my head  
Give the kid a break
