

# Goin' To The River

Alice Cooper

Well I'm goin' to the river, gonna jump off a boat and drown  
Yes, I'm goin' to the river, gonna jump off a boat and drown  
Because the gal I love, she's gone and left this town

Well when she left me, I bowed my head and cried  
When she left me, I bowed my head and cried  
I Never thought I'd be, I'd be the one to cry

So if you see my baby, tell her goodbye for me  
If you see my baby, tell her goodbye for me  
'Cause I'm tired of livin', baby livin' in misery

That's why I'm goin' to the river, gonna jump off a boat and dr  
own  
Yes, I'm goin' to the river, gonna jump off a boat and drown  
Because the gal I love, she's gone and left this town
