## I'm Always Chasing Rainbows

## **Alice Cooper**

At the end of the rainbow, there's happiness And to find it how often I've tried But my life is a race, just a wild goose chase and all my dreams have been denied

Why have I always been a failure What can the reason be I wonder if the world's to blame I wonder if it could be me

I'm always chasing rainbows
Watching clouds drifting by
My schemes are just like all my dreams
Ending in the sky

Some fellows look and find the sunshine I always look and find the rain And some fellows make a winning sometime And I never even make a gain

I'm always chasing rainbows Waiting to find the little bluebird in vain.
