

# I Never Cry

Alice Cooper

When there's a tear on my face  
It makes meshiver to the bone It shakes me babe  
It's just ahartache that got caught in myeye  
And you know I nevercry  
I nevercry

Sometimes I drink more than I need  
Until the TV's dead and gone  
I may belonely but I'm never alone  
And thenight may pass me by  
But I never cry

Take away  
Take away myeyes  
Sometimes I'd rather be blind  
Break a heart  
Break a heart of stone  
Open it up  
And don't you leave it alone

And that's all I've got to give to you  
Believe me babe it ain't been used  
My heart's a virgin It ain't never been tried  
And you know I nevercry  
And you know I nevercry  
And you know you know you know you know  
I nevercry  
I nevercry
