

Killed By Love

Alice Cooper

1. I've got more to lose, more to lose than you
Cause I'm the only one in love between us too
I know that I've been struck by lightning from above
Cause I've been killed by love
2. I got a longer fall, a longer fall to take
Cause I'm a bigger fool with a bigger heart to break
You pushed me way to far, a push became a shove
And I was killed by love

Drop me off in a crowded lonely city
Everybody there was crying
Drop me off in a town without pity
And let me be the one that's dying

Killed by love
Killed by love
Killed by love
