Killed By Love

Alice Cooper

- I've got more to lose, more to lose than you Cause I'm the only one in love between us too I know that I've been struck by lightning from above Cause I've been killed by love
- 2. I got a longer fall, a longer fall to take Cause I'm a bigger fool with a bigger heart to break You pushed me way to far, a push became a shove And I was killed by love

Drop me off in a crowded lonely city Everybody there was crying Drop me off in a town without pity And let me be the one that's dying
