

# Lace and Whiskey

Alice Cooper

I find myself running in circles  
Lost and half insane  
And I need a cure sometimes  
To knock out the pain

So I yell out for some kind of angel  
To come down and rescue me  
Be as soft as you can  
Put a drink in my hand  
I'm as scared as I ever could be

Gimme lace and whiskey  
Mamas home remedy  
Double indemnity  
Fills me with ecstasy  
La-aa-ace and whiskey

Lots of things I really want here  
Lots of things I really need  
There's an animal soul inside  
That I've gotta feed  
My hot mamas feminine body (?)  
Always gets a rise from me  
She's so soft in my hands  
I give her all she can stand  
Make a full fledged man outta me

Gimme lace and whiskey  
Mamas home remedy  
Double indemnity  
Fills me with ecstasy  
La-aa-ace and whiskey  
La-aa-ace and whiskey

I ain't hard ass'd  
So babe don't make me mean  
I want a hot place  
To go and show you things

Gimme lace and whiskey  
Mamas home remedy  
Double indemnity  
Fills me with ecstasy  
La-aa-ace and whiskey

I'll end up a broken old hobo  
With red and yellow eyes  
Swear' and drunk and dyin'  
But no ones surprised  
That's a long long way from today babe  
As far as I can see  
So shake off your shoes  
Go and get me my booze  
Lay your love and your laces on me

Gimme lace and whiskey  
Mamas home remedy

Double indemnity  
Fills me with ecstasy  
La-aa-ace and whiskey  
La-aa-ace and whiskey
