Alice Cooper

Your world full of creeps  
Zombies walk the street  
9 to 5 barely alive  
Have a beer go to sleep  
And start all over again

Same gray suit  
Same brown shoes  
Same headache  
Same pills  
He goes home thinks about suicide  
But he's got his diploma, ya got to give him that

I got a radical place  
Got my own private space  
It's my sanctuary  
It's the castle of doom  
I'm the king of my room  
Just a Quasimodo  
Let the world blow away  
This is where I will stay  
In my sanctuary  
Got my mess on the floor  
Got my lock on my door

Go Away, Sanctuary  
Go Away, Sanctuary

Someday I gotta get outta here  
Gotta put on a shirt put on a tie  
Get a job buy a car get some insurance  
'Cause I'll probably have a heart attack by the time I'm 40

I guess I'll find the perfect wife  
And I'll have 2.3 perfect kids  
And if I work real hard  
And if I die real fast  
They'll all turn out just like me

I got a radical place  
Got my own private space  
It's my sanctuary  
It's the castle of doom  
I'm the king of my room  
Just a Quasimodo  
Let the world blow away  
This is where I will stay  
In my sanctuary  
Got my mess on the floor  
Got my lock on my door

Go Away, Sanctuary  
Go Away, Sanctuary  
Go Away, Sanctuary  
Go Away, Sanctuary

It's my sanctuary  
It's a castle of doom
