

Shoe Salesman

Alice Cooper

I know a shoe salesman
He's an acquaintance of mine
One day he showed me some
Marks on his arms in a line
I did not know what to say
"Do you think those freckles will stay?"

I need a popsicle
Do you want lemon or lime
I've got a special today
If you've got the time
Winking, she poked me in the side
"Well, we could go for a ride"

I did not know what to say
"Do you think those freckles will stay?"
Ha

Well, you think she will see, yeah
I don't think she will see

Hey, Yeah..
