Shoe Salesman

Alice Cooper

I know a shoe salesman He's an acquaintance of mine One day he showed me some Marks on his arms in a line I did not know what to say "Do you think those freckles will stay?"

I need a popsicle Do you want lemon or lime I've got a special today If you've got the time Winking, she poked me in the side "Well, we could go for a ride"

I did not know what to say "Do you think those freckles will stay?" Ha

Well, you think she will see, yeah I don't think she will see

Hey, Yeah..
