

# Sister Sara

Alice Cooper

Now I don't know but I've been told  
There's a nun having fun and she lost her soul  
She's got cash, she got laid  
Now she's dealin' with me and she gonna get paid  
She got caught with the bishop  
She got caught with the abbot  
Even cardinal sin tried to feed her habit

Now we get whores and pimps and skanks  
But when your judgement came down even he gave thanks

Whatever happened to me  
Can't remember my name  
Flying so high on angelic wings  
Flew too close to the flame

Sister Sara  
It's your penalty for eternity  
(For eternity)  
Did you think that you were saved  
(For eternity)  
You forget your old identity who you used to be  
(For eter... sara)  
Sister Sara  
So depraved

Oh, come O ye faithless, get in line  
You're gonna drown in the water, turned to wine  
And you're all going to wallow in your sin and shame  
You had every opportunity to call His name  
Don't look surprised, don't be in shock  
You'll be a lovely little demon in my private stock  
I'm just doing my job to pull you down  
'Cause it's a one way ticket down to Dragontown

(Whatever happened to me)  
You got caught in my web  
(Can't remember my name)  
You made your own bed here  
(Flying so high on angelic wings)  
And now you must keep me well fed  
(Flew too close to the flame)  
You're mine, too bad,  
You're here for me, you're just here for me

Sister Sara  
It's your penalty for eternity  
(For eternity)  
Did you think that you were saved  
(For eternity)  
You forget your old identity who you used to be  
(For eter... sara)  
Sister Sara  
So depraved

Moment to moment, hour to hour, for ever and ever  
Time after time after time after time after time

(For eternity)  
Sister Sara  
It's your penalty for eternity  
(For eternity)  
Did you think that you were saved  
(For eternity)  
You forget your old identity who you used to be  
(For eter... sara)  
Sister Sara  
So depraved
