

# The Saga of Jesse Jane

Alice Cooper

I'm in jail in a Texas town  
In my sisters wedding gown  
I drive a truck all night long  
Listening to Judy Garland's song  
Now I'm locked behind bars of of steel  
I was just looking for a happy meal  
I parked my rig, and I went inside  
They've never seen such a pretty bride

Jesse Jane,  
Are you insane  
Or are you just a noble guy  
Who dresses like a butterfly  
Jesse Jane

I payed my bill and I turned around  
Facing every redneck in that one horse town  
His face was red, His fist was clenched  
He threw his coke, and he got me drenched

Jesse Jane,  
Are you insane  
Or are you just an average Joe, looking for a fashion show  
Jesse Jane

Well I guess that was the final straw  
I pulled a pistol from my wonder bra  
I killed 'em dead heh, I killed 'em all  
But then they caught me in the bathroom stall  
And Now I'm doing ten to life  
But I'll tell you one thing bubba  
Someday Im gonna someone in here, a hell of a wife

Jesse Jane  
Are You Insane  
Or are you just an average guy who dresses like a butterfly  
Jesse Jane

Jesse Jane  
Are you insane  
Or are you just a peter pan looking for his neverland
