

# Ubangi Stomp

Alice Cooper

Well, I rocked over Italy and I rocked over Spain  
I rocked in Memphis it was all the same  
till I rocked to Africa  
I rolled off the ship  
I seem them natives doing an odd looking skip  
I parted the weeds and I looked over the swamp  
and I seen them cats doin' the Ubangi Stomp

Ubangi Stomp is a rock and roll  
It beats anything that's ever been told  
Ubangi Stomp, Ubangi style  
when it kicks it drives a cool cat wild

Well I looked up the chief he invited me in  
He said, "A heap big jam session's 'bout to begin"  
I grabbed up a tom and I picked up the beat  
That crazy thing sent shivers to my feet  
I rocked and I rolled and I skipped with a smile  
I did the Ubangi Stomp with a Ubangi style

Well, we rocked all night and part of the day  
Had a good, rock-in' time  
with the chief's daughter Mae  
I'm making good time and I'm getting in the know  
when the captain said, "Son, we've gotta go"  
I said, "That's all right  
You go right ahead  
I'm gonna Ubangi Stomp till I roll over dead"

Ubangi Stomp is a rock and roll  
It beats anything that's ever been told  
Ubangi Stomp, Ubangi style  
when it kicks it drives a cool cat wild

Ubangi Stomp, thank you!
