

# Wake Me Gently

Alice Cooper

I was scared to death  
Afraid to close my eyes  
and find that I was gone  
Like every other one who left before the dawn  
I vanished in the air  
Am I still there?

[chorus]

Wake me gently, if you can  
Wake me gently, just touch my hand  
Wake me gently, pull my sleeve  
'cause where I'm at is where I want to leave.

And in my sleep, I look so lifeless on this bed  
Laid out on satin sheets  
This dream's a novel that I don't dare complete  
No happy endings read  
I think the hero's dead

[Chorus]

Me to my slumber  
And I'll never come home  
Please help me I'm frightened  
Of what's going on (what's going on?)

And if I can't wake up  
Will I be all alone?  
A stranded orphan here?  
Or will I bump into some other wandering souls?  
And will they talk to me?  
Somebody, somebody please rescue me

[Chorus]

I want to leave  
I want to leave  
I just want to wake up  
I want to leave I don't want to stay
