

# Waiting for Your Love

Alice DeeJay

Waiting (X6)

I'm waiting for your love  
I'm waiting for your love  
Don't wanna loose that feelin'  
I'm waiting for your love  
Let me hold you in my arms

I'm waiting for your love  
Don't wanna loose that feelin'  
I'm waiting for your love  
Let me hold you in my arms, tonight...

Whisper; I'm waiting for your love  
I'm laying in my bed, crying  
Waiting for your love  
Oh can you give me one more chance

I'm waiting for your love  
Don't wanna loose that feelin'  
I'm waiting for your love  
Let me hold you in my arms

I'm waiting for your love  
Never wanna loose that feelin'  
I'm waiting for your love  
Let me hold you in my arms, tonight...
