

# Will I Ever

Alice DeeJay

Nanana...

I don't dare to let it show,  
Therefore you will never know.  
What I really feel inside,  
and how I lay awake at night.

(Chorus)

Will I ever fall in love,  
and if I do will it be with you?  
Will I ever fall in love,  
and will you be the one for me?

Will I ever fall in love,  
and if I do will it be with you?  
Will I ever fall in love,  
and will you be the one for me?

Nananawheho nanana nananawheho  
Nananawheho nanana nananawheho

I guess it all in my head,  
and I will be alone instead.  
Dreaming of a night with you,  
and all the things that we would do.

Will I ever fall in love,  
and if I do will it be with you?  
Will I ever fall in love,  
and will you be the one for me?
