

Mother Of Christ

Alice Donut

No.
Feeling..Buxom.
Feeling...Buxom.
Feeling...nice.
Nice.

It's inside of me

Mother of Christ.
I want to feel what Mary felt.(Mother of Christ)
I want to feel what Mary felt, (Mother of Christ)
When God spent his seed.

No.
Feeling..fertile.
Feeling...immaculate.
Feeling...nice.
Nice.

It's inside of me

Mother of Christ.
I want to feel the Messiah's head .(Mother of Christ)
Against my confused virgin breast (Mother of Christ)
I want to lactate sin free.

Mother of Christ.
Why does it sound so ugly?(Mother of Christ)
Why does it sound so ugly (Mother of Christ)
when I say what I feel?

And I see the angel's mighty sheath.
And I feel the earth and heavens spread.
And I see the skewered burning pit.
And I feel the nugget of the seed.

I'm the earth mother.
I'm the virgin mother.
Primordial mother.
The virgin mother.

And I feel the womb envy within.
And I feel the holy conception.
And I hear the groans of the damned.
And I see the hymens ripped with sin.

I'm the earth mother.
The virgin mother.
Primordial ooze.
