

Sunshine Superman

Alice Donut

Every trick in the book, now baby.
I use it on you.
I've got my devices darling
My machinery too.

Laying on a parquet carpet
On the Fourth of July.
Trying to find some physics books.
Things to try.

'Cause, now I've made my mind up.
You're going to be mine.
I tell you right now.

Every trick inn the book.
I use it on you.
I've got my devices turning.
My paprika too.

Trying to find a yellow cab where,
you lost your purse.
Trying to find some cabbage and celery,
and PAPRIKA.

Listening to Julio Iglesias
In a hot air balloon.
I've got my devices turning.
My paprika too.

Now I've made my mind up.
Now I've made my mind up.
Now I've made my mind up.
Now I've made my...
I've made my mind up.

Fry your little mind.
Fry your little mind.
Take it like a...
Take it like a...
Fry your little mind.

Fry your little mind.

Fry your little...
Take it, take it, take it, take it, take...

Fry your little mind.

Trying to find a yellow cab where,
you lost your... head.
