Every trick in the book now baby,
I'll use it on you.
I've got my devices darling,
My machinery too.

Lying on a parquet carpet,
On the 4th of July.
Finding things in physics books,
Things to try.

Now I've made my mind up,
You're going to be mine.
I tell you right now.
Trying to find the yellow cab

Where you lost your purse.
Trying to find some cabbage and celery and PAPRIKA.
Listening to Julio Iglesias,
In a hot air balloon.

I've got my devices,
My paprika too.
Now I've made my mind up.
Fry your little mind.

Take it.
