Alice Donut

Cocktails for the preacher  
The cabin boy won't stay  
Monsignor Babble knows the business  
No money down, no one gets saved

He knows  
I know

Contract with America  
Be sure to hit the vein  
The senator knows the beltway  
The can boy still won't play

I know  
He knows  
I know  
I know I know I know

The banker and a thumb  
Gidget get your gun  
Gatsby's on the tube  
The Arabs and the Jews are getting some

I know

There's too many of us.
