

# Check My Brain

Alice In Chains

And so I found myself in the sun  
Oh yeah  
A hell of a place to end a run  
Oh yeah

California, I'm fine  
Somebody check my brain  
California's alright  
Somebody check my brain  
Check my brain

I walked these streets a creep in a fog  
Oh yeah  
When she sang I answered the call  
Oh yeah

California, I'm fine  
Somebody check my brain  
California's alright  
Somebody check my brain

Ahh, tears that filled my bong  
Ahh, years expended gone

(solo)

I hung my guns and put 'em away  
Oh yeah  
A trick of the trade and by the way  
Oh yeah

California, I'm fine  
Somebody check my brain  
California's alright  
Somebody check my brain

Ahh, tears that filled my bong  
Ahh, years expended gone  
Ahh, tears that filled my bong  
Ahh, years expended gone

Check my brain (x3)
