What's gone wrong, I can't see straight Been too long, so full of hate

What the fuck will it take Drown myself in my wake Another shaggy D.A.

Now a dog, shake my leg Plastic man, paper face Candy heart, what a waste Gotta change, set a date Eat my cake, lick my plate

Stare at me with empty eyes and Point your words at me Mirror on the wall will show you What you're scared to see

I can see, yeah - (wish I couldn't see at all)
I can feel - (wish I couldn't feel at all)
Hate to see - (wish I couldn't see at all)
Hate to feel - (wish I couldn't feel at all)

So climb walls,
Thin my blood now
And I crawl, back to bed now

What the hell, gotta rest
Aching pain in my chest
Lucky me, now I'm set
Little bug for a pet
New Orleans, gotta get
Pin cushion medicine
Used to be curious
Now the shit's sustenance

All this time I swore I'd never Be like my old man What the hey it's time to face Exactly what I am

I can see, yeah - (wish I couldn't see at all)
I can feel - (wish I couldn't feel at all)
Hate to see - (wish I couldn't see at all)
Hate to feel - (wish I couldn't feel at all)

What the hell, gotta rest
Aching pain in my chest
Lucky me, now I'm set
Little bug for a pet
New Orleans, gotta get
Pin cushion medicine
Used to be curious
Now the shit's sustenance

All this time I swore I'd never Be like my old man What the hey it's time to face

Exactly who I am

I can see, yeah - (wish I couldn't see at all)
I can feel - (wish I couldn't feel at all)
Hate to see - (wish I couldn't see at all) [2x]
Hate to feel - (wish I couldn't feel at all)
