

# Heaven Beside You

Alice In Chains

Be what you wanna be  
See what you came to see  
Been what you wanna be  
and I don't like what I see

Like the coldest winter chill  
Heaven Beside you, Hell within  
Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter will  
Heaven beside you, Hell within  
And you think you have it still,  
Heaven inside you

So there's problems in your life  
That's fucked up  
And I'm not blind  
I'm just see-through, faded  
Super jaded  
out of my mind

Do what you wanna do  
Go out and seek your truth  
When I'm down and blue  
Rather be me than you

Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter will  
Heaven beside you, Hell within  
And you wish you had it still,  
Heaven inside you

So there's problems in your life  
That's fucked up  
I'm not blind  
I'm just see-through, faded  
over rated  
And out of my mind

Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter chill  
Heaven beside you, Hell within  
Like the coldest winter will  
Heaven beside you, Hell within  
And you know you have it still,  
Heaven inside you

So there's problems in your life  
That's fucked up  
But you're not blind  
You're just see-through, faded  
over-rated  
out of your mind
