Love, Hate, Love

Alice In Chains

I tried to love you I thought I could I tried to own you I thought I would I want to peel the skin from your face Before the real you lays to waste

You told me I'm the only one Sweet little angel you should have run Lying, crying, dying to leave Innocence creates my hell

Cheating myself still you know more It would be so easy with a whore Try to understand me little girl My twisted passion to be your world

Lost inside my sick head I live for you but I'm not alive Take my hand before I kill I still love you, but, I still burn

Yeah, Love, hate, love [3x] Oooh, Love, hate, love Yeah, Love, hate, love
