Sea of Sorrow

Alice In Chains

Mind, of destructive taste I choose...to stroll amongst the waste That was your heart Lost in the dark Call off the chase

Walls of thought, strong and high As my castle crumbles with time... I think of you Oh, yes I do Such a crime

You opened fire...and your mark was true You opened fire...aim my smilin' skull at you You opened fire... I live tomorrow, you I'll not follow As you wallow in a sea of sorrow

Lines cut across my face Why you laugh at my disgrace I'll never know How far to go To reach that place

You opened fire...and your mark was true You opened fire...aim my smilin' skull at you You opened fire... I live tomorrow, you I'll not follow As you wallow in a sea of sorrow
