

# The One You Know

Alice In Chains

I'm a little alike  
You before things had changed  
In a compass, I ride  
All this feels rearranged

Tell me, does it matter  
If I'm still here, or I'm gone?  
Shifting to the after  
An impostor, I'm not the one you know

I look the same outside  
Nearly me even though  
I carry something I hide  
Underneath the one you know

Tell me, does it matter  
If I'm still here, or I'm gone?  
Shifting to the after  
An impostor, so disowned

Are you surprised black water flows  
From wells run dry?  
I'm not the one you know

Lay me out with our guilt  
Watch the explosions fall, rain  
Cannot live within this tilt  
Carryin' over  
I'm not the one you know

Tell me, does it matter  
If I'm still here, or I'm gone?  
Shifting to the after  
An impostor, so disowned

Are you surprised black water flows  
From wells run dry?  
I'm not the one you know  
I'm not the one you know
